

# Top Ten Team Building in Hampshire

**1 Team Building & Rib Experience from Royal Southampton Yacht Club.** Are you considering ways to re-energise and build your team in 2015? The peaceful surroundings of Gins on the Beaulieu River will encourage everyone to open up, be creative and learn new skills. This tranquil spot offers a treasure-trove of possibilities for activity days on or off the water. Create the perfect recipe for an exhilarating day: physical activity, fresh air, healthy food and fun, fun, fun!

**2 Chocolate Craft** based in Alresford, Hampshire. Have you ever wondered what it would be like to be a chocolatier? Well now you can find out! Have fun with friends, colleagues or people you haven't yet met, crafting your own chocolates in the heart of the Hampshire countryside.

**3 Zorb Football** - everyone loves football but if you want to do something a little bit different, a bit special and memorable, Zorb Football certainly meets that brief; with your upper body completely covered in the zorb, you'll be able to run around and kick the ball but your ability to balance will be seriously compromised without the use of your arms.

We work with the region's best team building companies

**4 Play With A Legend** - Experience a once in a lifetime chance to play football and have a beer with football childhood hero's. For Southampton that would include ex-players such as Matt Le Tissier, and Chris Perry. Great for smaller corporate parties looking to impress.

**5 Wise Words Luxury Sailing Day** - Based at Ocean Village Marina, Wise Words Charter offers a range of corporate hospitality options that include full, half day or extended charters, taster experiences, evening dinner cruises, birthdays and anniversaries, team building and incentives, sailing days, RIB experiences and treasure hunts.

**6 Archery, Bush craft, Kayaking and much more with New Forest Activities** - New Forest Activities are the experts in delivering outdoor activities in this wonderful National Park. Their vision is to draw the area's best experiences into one place, making it easy for you to make the most of your time in The New Forest. Half day or full day, on site or off site, they can tailor a package for you.

**7 Go Ape** - our Tree Top Adventure where we brief you for safety before you fly down zip-wires and leap off our Tarzan Swings. Or Forest Segways where you get off the beaten track on a segway - our epic forest adventure with a down-to-earth twist.

**8 Hampshire Wine Tasting** - a fun and increasingly popular way to foster team-building or entertain clients, creating a relaxed atmosphere and an activity for all the guests to enjoy. The wine tasting can also act as an icebreaker as clients & colleagues get to know each other - plus the wine is guaranteed to keep the evening flowing!

**9 Cookery and Spy School Team Building** - Cook up a storm and reveal unhidden talents and the creative, innovative side of your team. See how your team develop and work together under pressure as the heat gets turned up and watch the communal sense of achievement unfold as delegates sharpen and support each other. Communication is essential in delivering the hot dishes to hungry team mates. At Spy School you arrive at a top secret mobile spy training camp, which can be located at any suitable venue across the UK. You are greeted by our Spy School leader and briefed on the team challenges that your group will be faced with.

**10 Bear Gryll's** - survival based team building experiences. Available in 5 different levels, ranging from level 1 - which is indoors and can be held in any conference room, to stage 5 - which would be hosted at one of our venues with outdoor space.
